Facility Services...

Facility management is a vast field covering housekeeping, gardening, plumbing, guarding & various other services. Especially at Dellcom, you get support for all major facility management services. We don't believe in giving you assurances for the services that we cannot serve. We are a straightforward agency believes in providing effective services in which we are specialized. Our facility management aims to fit your needs well.

Training

As our country lacks formal structure to impart quality training in the areas of Security & Fire Safety at the functional level, we have taken upon ourselves the task of filling this void and hence are our focused -emphasis on Training. Similarly, we have a in house training facility for Facility & Corporate services also. With the kind of Armed Forces and civil background experience that we have, we feel that we are best suited to fill this role.

We undertake total training packages comprising:-

- Identification of training needs.
- Conceptualization of training policy.
- Preparation of training manual & material.
- Drawing up of training syllabus, schedules and programmers.
- Conduct of training capsules in the areas of Facility services, corporate services, Security Services & Fire Safety services.

Other features of our training package are:-

- Separate training capsules for housekeeping staff, Office assistants, Corporate drivers / Chauffeurs, security guards/firemen and for mainstream staff of the Organization.
- Residential training package at our location, OR alternatively.
- Conduct of training in situ if the client desires.
- Content biased towards practical handling of systems & situations, mock drills/ exercises, case studies & role plays etc.

SECURITY & FIRE SAFETY TRAINING CONTENT SALIENT ASPECTS

- Physical Security & Safety procedures & Standing Orders.
- Charter of duties and Code of Conduct- Guards /Firemen.
- Equipment Demonstration & Handling – Fire Extinguishers, First Aid Fire Fighting Equipment, Hydrant System, Sprinklers and Security equipment such as Door Frame Metal Detector, Hand Held Metal Detectors, Stun Guns, Tracer Weapons etc.
